

CMMSC 數學建模與科學計算研究中心

Center of Mathematical Modeling and Scientific Computing

Distinguished Applied Math. Lecture

此Lecture的設置目的，旨在邀請國際知名數學或應用數學家至本中心短訪，並交換一些前瞻應用數學研究的心得。

Professor Thomas Yizhao Hou 侯一釗教授
Charles Lee Powell Professor of Applied and Computational Mathematics, Caltech, USA

學術榮譽(僅列部份)：

SIAM fellow, 2009

Computational and Applied Sciences Award, 2005

Morningside Gold Medal, 2004

James H. Wilkinson Prize, 2001

Francois N. Frenkiel Award, 1998

題目：The Role of Mathematical Modeling and Scientific Computing in the Millennium Problem on the 3D Navier-Stokes Equations

時間：2009/10/06(星期二) 下午1:30~3:20

地點：SA223, Center of Mathematical Modeling and Scientific Computing, Department of Applied Mathematics, National Chiao Tung University(交通大學科學一館223室)

附註：演講完畢，本中心將準備茶點，歡迎大家參加演講與會後茶會。
