

2026 “Max-Planck Gesellschaft zur Förderung der Wissenschaften e.V/ Max Planck Institute for Chemical Physics of Solids” Internship Program

Application Deadline: December 31, 2025

1. Internship Period:

The internship will begin in Summer 2026 and last for 6 months.

2. Eligibility:

- (1) Master’s students and PhD students who have passed the qualification examination from the College of Science and College of Engineering.
- (2) The student must be enrolled in the College of Science and College of Engineering during the internship.
- (3) The applicant’s research investigation should be mainly focused on “Chemical Physics of Solids” discipline.

3. Required Documents:

- (1) Application Form (Please email a copy of the completed form to jennychen11@nycu.edu.tw by the deadline.)
- (2) Official English Transcript (with grades of every semester, including class/department ranking)
- (3) Certificate of Enrollment
- (4) Letters of recommendation (2 minimum; one from the advisor)
- (5) Resume and Personal Statement / Motivation Letter
- (6) Other Supporting Documents (e.g., Proof of English Proficiency)
- (7) Photocopy of the passport

4. Program Details:

- (1) No credits or grades are granted from this internship program.
- (2) Students please visit the website of MPI-CPfS: <http://www.cpfs.mpg.de/en/research> and rank the laboratories you wish to apply on the application form.
- (3) Monthly Stipend:
 - a. Master’s students: 900 EUR per month.
 - b. PhD students: 1,250 EUR per month.
 - c. Insurance fee (roughly estimated 100 EUR) will be covered by the monthly stipend mentioned above.
