

Positions Open

The Department of Applied Mathematics at the National Chiao Tung University invites applications for several openings at the levels of tenure-track assistant, associate and full professors in the research areas of mathematical modeling and scientific computations, probability and financial mathematics, differential equations and dynamical systems, discrete mathematics and optimization, number theory, analysis, and geometry. The appointment starts from August 1, 2012 (or February 1, 2012, if mutually agreed).

Applicants please send

1. a letter of application and an up-to-date curriculum vitae (including birthday, phone number, e-mail address, research interests, education background, professional experiences, publication list, honors and awards);
2. a statement of courses that you can offer;
3. a copy of Ph.D. diploma, and transcript (optional);
4. three letters of recommendation;
5. reprints of publications
