

Announcement

2013 NCTU Taiwan Elite Internship Program

Complete your internship at NCTU, Taiwan's Top Research University

National Chiao Tung University (NCTU)

National Chiao Tung University, a top research university in Taiwan located adjacent to the Hsinchu Science Park (the Silicon Valley of Asia), emphasizes the integration of science and humanities by offering innovative trainings and interdisciplinary studies in a full spectrum of disciplines. NCTU's Engineering ranks 50th world-wide, while Computer Science ranks 47th world-wide (based on Shanghai Jiaotong University's Academic Ranking of the World Universities in 2012). Our elite study body, currently standing at more than 14,000 in nine colleges, came from more than 60 countries. National Chiao Tung University has been the cradle for the nation's high-tech industry leaders as well as for innovation and research. Currently more than 65% of the chairpersons, CEOs and general managers at Hsinchu Science Park companies are NCTU's alumni.

Program Arrangement

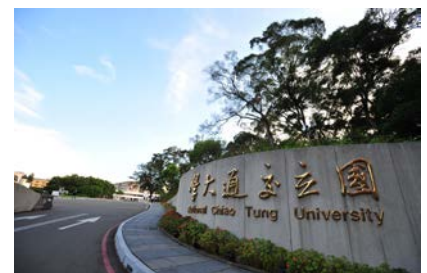

This program is proposed for students from renowned partner universities to participate in laboratory research at NCTU. Faculty members with various specialties (in the areas of engineering, life science, computer science, biological science, and electrical and computer engineering, etc.) from different colleges of NCTU will participate in the program and invite prospective students to do research in their laboratories. Faculty and student interests will be matched. Students will be conducting research on either a small independent project or assisting an ongoing project in the host laboratories. At the end of the internship, students will be asked to submit a report regarding their research work at NCTU. Qualified students would be offered a free round-trip economy class flight ticket from their home country to Taiwan.

Student Selection

About **50** current students from our partner universities will be selected to participate in the program.

Program Length

At least 2 months (Official starting date of the program will be 1st May, 2013. Students should arrive at NCTU no later than 1st September, 2013. Official closing date will be 31st October, 2013). The actual research period may vary depending on individual circumstances.

Application Process

- A. All applicants are to firstly identify a professor at NCTU to be their internship advisor.
- B. Required documents for application

- (1) Application form
 - (2) Curriculum vitae (CV) in English
 - (3) Internship Proposal in English (1-2 A4 pages)

Send the complete application package with all the required documents in hard copies by registered express mail to us before **28th February, 2013**.
- D. Mark your application package as "Application for 2013 NCTU Taiwan Elite Internship Program" and send to the below address:
Katie LAI
Office of International Affairs
National Chiao Tung University
1001 University Road, Hsinchu, Taiwan 30010, R.O.C.
- E. Results will be announced in **31st March, 2013**.

More Information

The Center of International Service (CIS) will assist admitted students in terms of on-campus accommodation, insurance, visa, registration and other further needs.

Financial Support

NCTU would offer a free round-trip economy class flight ticket from their home country to Taiwan for admitted students. Students will have to pay for their airfare prior to their arrival in Taiwan. Students should keep the original electronic tickets, ticket receipt, and boarding passes along with the internship report for the reimbursement of their airfare upon their departure from Taiwan. During the internship period, expenses such as accommodation, insurance, or travel, shall be at individual student's own cost.

Internship Termination

NCTU reserves the right to terminate the internship if, in its opinion, the Intern's performance is unsatisfactory or the Intern has failed to comply with the terms and conditions of NCTU Internship Agreement.
